

# **50ft Flat Garden Hose with Spray Nozzle**

## **7 Function Spray Nozzle**

SKU: 323NA-0001

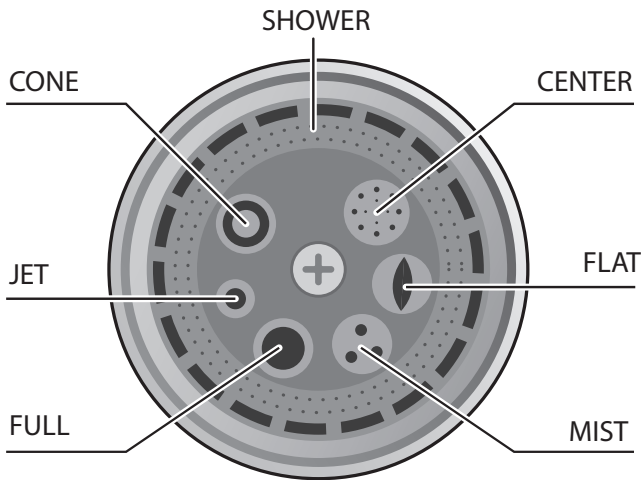

Thank you for purchasing 1byone Garden Hose. Please read this instruction manual before use to ensure safe operation.

### ***Package Contents:***

- 1 x Hose (0.5" x 50.0") with solid brass fittings
- 1 x Spray Nozzle with 7 functions

If any package contents are visibly damaged or missing, please immediately contact 1byone Support Center at <https://www.1byone.com/support> for assistance.

The 7-Function Spray Nozzle has seven separate settings: FULL, CONE, CENTER, FLAT, SHOWER, JET, and MIST.  
Turn the spray nozzle dial to choose the appropriate setting.

## ***Important Notice:***

1. Before using your hose, make sure the water source and spray nozzle are firmly attached. This will prevent leaking.
2. Attach the solid brass connectors at both ends of the hose to the water source and the spray nozzle.
3. Do not run hot water through the hose.
4. Drain the hose in the summer when it's not in use and store it in a shaded area.
5. Operating temperature range:  $-10^{\circ}\text{C} \sim 40^{\circ}\text{C}$  ( $14^{\circ}\text{F} \sim 104^{\circ}\text{F}$ ). Protect your hose from harsh winter weather by storing it indoors. Be sure to drain the hose completely before storage as any remaining water may freeze and damage the hose.
6. Burst Pressure:  $\geq 300\text{psi}$ . Do not run water with excessive pressure as this may damage the hose.
